

TEEN THRIVE PROGRAM

Age
(15 to 17)
year old

PROGRAM

Young people learn strategies to create a spending plan, explore employment and entrepreneurship strategies, plan finances for their post-secondary education, prepare to live on their own, learn how to use credit wisely and shopping strategies to save money. We put what we learned to practice through hands-on activities, scenario based learning and community experiences. Our program is Inclusive and designed for different learning styles blended with lots of fun, prizes and gifts!

MODULES

- **Budgeting** - Youth learn ways to save, how to create a spending plan and strategies to accomplish their financial goals.
- **Earning** - Youth are equipped with resources and information to be able to earn money through employment or starting their own business.
- **Education** - Youth explore educational pathways that will lead them to a rewarding career.
- **Living on Own** - Youth learn tools to transition from from their family home and live more independently.
- **Skills for Life** - Young adults practice skills such as grocery shopping and preparing a meal on a budget.

Special guests include Certified Nutritionist to support meal preparation and Indigineous Facilitator who will lead cultural activities.

Our Teen Thrive program allow youth to practice essential skills such as

- Collaboration
- Communication
- Problem solving
- Adaptability
- Creativity
- Numeracy

Any youth registered will receive a chance to win a \$25 gift card upon completion of the program.
